IMPORTANT

Please Read

Due to a coming change in the Pittsfield telephone system, calls made to report a fire will not be handled by telephone operators. It will therefore be **EXTREMELY** important that your name, location, and nature of the fire be given to the receiver of the call. It will be impossible to trace the call in case of a misunderstanding.

To Report A Fire - Dial 5-6522

Whenever it is possible, use the nearest fire alarm box. This will assure prompt and correct response to your fire.

Do not dial this number **UNDER ANY CIRCUMSTANCES** for information when the fire alarm has been sounded. You will not receive a reply to your inquiry.

For further information regarding the fire alarm system read the report of the Fire Alarm Superintendent on Page 56 of this page from your Town Report and post near your telephone.

The telephone call system of the Police Department will also be revised.

To Call Police - Dial 5-6631

For quick reference at the time of an emergency, remove this page from the Town Report, write in the telephone numbers when available, and post near your telephone.

THE STATE OF NEW HAMPSHIRE TOWN WARRANT

To the Inhabitants of the Town of Pittsfield in the County of Merrimack, in said State, qualified to vote in Town Affairs

You are hereby notified to meet at The Town House in said Pittsfield on Tuesday, the ninth day of March, next at ten of the clock in the forenoon to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

1. Town Officers Salaries	\$5,600
2. Town Officers Expenses	1,500
3. Election and Registration	500
4. Municipal Court	200
5. Town Hall and other Buildings	600
6. Police Department	2,700
7. Fire Department	6,200
8. Blister Rust and care of Trees	1,700
9. Insurance	1,400
10. Civil Defense	50
11. Health Dept. and Concord Hospital	250
Without Reccomendation	1,000
12. Vital Statistics	100
13. Sewer Maintenance	700
14. Town Dump	250
15. Town Maintenance Summer	8,000
16. Town Maintenance Winter	6,000
17. Street Lighting	3,880
18. General Expense of Highway Dept.	2,500
19. Town Road Aid	603.97
20. Libraries	3,000
21. Town Poor	2,500
22. Old Age Assistance	4,000
23. Memorial Day	200
24. Soldiers Aid	500
25. Parks	250
26. Water for Town	2,500
27. Cemeteries	100
28. Forest Fire	400
29. Damages and Legal Expenses	50
30. Advertising & Regional Assns.	
Without Reccomendation	288
31. Social Security	400
32. Interest on Temporary Loans	500
33. Interest on Bonded Debt	1,100
34. State Aid Reconstruction	9,000

3. Sidewalk Construction 500

3C. Payment on Bonds 4, 000

3. To see if the Town will vote to accept State Aid for Reconstruction of Depot Street from Elm Street to Tilton Hill Road and the Reconstruction of Carroll Street from Cram Avenue to the Barnstead Bridge, the State to contribute \$21,000 and the Town to appropriate \$9,000 of which \$3,000 would be raised by taxes this year and the balance raised by two long term notes of \$3,000 each due in 1955 and 1956.

4. To see if the Town will vote to authorize the Board of Selectmen to exchange the land and buildings, located on Catamount Street, Pittsfield, New Hampshire, owned by the Town and presently leased to Adams Brothers, Inc., for the land and buildings, located on Joy Street, Pittsfield, New Hampshire, and owned by Adams Brothers, Inc., and further authorizing the Board of Selectman prior to the above transfer to convey to the Public Service Company of New Hampshire such additional right of way and / or land as the said Board may determine to be necessary to the full use of its existing facilities by said Public Service Company, for such consideration as the Board of Selectmen shall determine to be fair.

5. If the foregoing article is adopted, to see if the Town will vote to authorize the Board of Selectmen to convey to Pittsfield Industries, Inc. for one dollar, a portion of the land adjoining the Joy Street Factory.

6. To see if the Town will vote to authorize the Board of Selectmen to borrow money in anticipation of 1954 taxes, the same to be paid from that year's levy.

7. To see if the Town will vote to permit playing games of Beano in Pittsfield in accordance with Chapter 171-A of the Revised Laws.

8. To see if the Town will vote to instruct the Selectmen to proceed with the laying out of a public highway across Berry Park, extending Berry Avenue southerly to join Oneida Street.

9. To see if the Town will vote to accept the following Trust Funds:

1. Bertha Ashton — care of the Henry J. Fowle lot	\$155
2. Margaret S. Hudson — care of Marston-Sargent lot No. 30	200
3. Sadie A. Watson — care and upkeep of the Tilton Hill Burying Ground	500
4. Sadie A. Watson — care of Denison-Watson lot Floral Park	300
5. Sadie A. Watson — care of Batchelder-Watson lot Floral Park	300
6. Hattie S. Davis Est. — care of Hattie S. Davis lot	150
7. Sarah Winters — care of Mary Jane Watson lot	140

10. To see if the Town will vote to accept deeds to land in the vicinity of Clark's Pond taken in connection with the proposed swimming pool.

11. To see if the Town will vote to authorize the Board of Selectmen to transfer to the Pittsfield Shoe Company for the sum of one dollar the Joy Street shoe factory plus the land lying north-erly of it.

12. To transact any other business that may legally come before said meeting.

Polls will open at 10:00 A. M. for the election of Town Officers and will not close before 7:30 P.M.

Articles in the Warrant will be acted on at 7:30 P.M.

Given under our hands and seal, this Sixteenth day of February, in the year of our Lord nineteen hundred and fifty four.

ROLAND G. HARTWELL

Road Improvement Program

\$45,427.21 was available for construction in 1953. This total was made up as follows

1953 Bond Issue	\$40,000.00
Balance carried from 1952	437.02
State's share 1953 TRA	4,331.19
89'679	Town's share 1953 TRA
Balance carried 1952 TRA	9.32
	<hr/>
	\$45,427.21

In order to get State supervision of the work the town funds were added to the regular TRA fund and administered therewith. An eight item cost break-down is submitted herewith. It will be noted that the Berry Pond and Upper City pieces have not yet been surfaced. It is planned to do this with next year's TRA Fund.

STATE TAX COMMISSION
DIVISION OF MUNICIPAL ACCOUNTING
 Concord, New Hampshire

February 3, 1954

Board of Selectmen
 Pittsfield, New Hampshire
 Gentlemen:

Submitted herewith is a report of an examination and audit of the accounts of the Town of Pittsfield for the fiscal year ended December 31, 1953, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Overseer of the Poor, Library, Municipal Court and Trustees of Trust Funds.

FINANCIAL STATEMENTS

Comparative Balance Sheets:

December 31, 1952 - December 31, 1953: (Exhibit A)

Comparative Balance Sheets as of December 31, 1952 and December 31, 1953, are presented in Exhibit A. As indicated therein the financial condition of the Town changed from a Surplus of \$11,384.43 to a Net Debt of \$26,631.86 during the year 1953.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition during the year is made in Exhibit B, with the factors which caused the change indicated therein. These were as follows:

Decreases in Surplus (Increases in Net Debt)	
Bonds Issued	\$40,000.00
Decrease in Accounts Receivable	1,075.90
Increase in Accounts Payable	79.42
Yield Taxes Abated	459.51
Increase in Reserve a/c Future	
Yield Tax Losses	996.04
	<hr/>
	\$42,610.87
Increase in Surplus (Decreases in Net Debt)	
Long Term Notes Paid	\$1,500.00
Net Budget Surplus	3,087.08
Increase in Cash in Officials' Hands	7.50
	<hr/>
	4,594.58
	<hr/>
Change in Financial Condition	\$38,016.29

Comparative Statements of Appropriations and Expenditures
Estimated and Actual Revenues: (Exhibits C and D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1953, are presented in Exhibits C and D. As indicated by the budget summary (Exhibit D), a net revenue surplus of \$4,174.06, less a net overdraft of appropriations of \$1,086.98, resulted in a net budget surplus of \$3,087.08.

Summary of Receipts and Expenditures: (Exhibit E)

A summary of Receipts and Expenditures for the year ended December 31, 1953, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of December 31, 1953, is indicated in Exhibit F.

I.

AUDIT PROCEDURE

L

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records.

GENERAL COMMENTS

Current Surplus:

The current surplus position of the town was maintained during 1953, as shown by the following statement:

	December 31 1952	December 31, 1953
Total Assets	\$78,801.75	\$67,661.71
Current Liabilities	65,917.32	54,293.57
Current Surplus:	\$12,884.43	\$13,368.14

Motor Vehicle Permit Transfer Credits:

The permit fee for motor vehicles registered between December 31st and March 31st is one-third of the regular fee. Transfer credits which are allowed on permits issued between these dates should likewise not exceed one-third of the amount of the original fee. This is in accordance with Chapter 116, Section 18, of the Revised Laws of New Hampshire, which provides in part as amount of original fee."

"18. Transfer Credits. xxxxxx No portion of any permit fee once paid shall be repaid to any person, and from December first to March thirty-first such credits shall not exceed one-third of the original fee."

Surety Bonds:

It is recommended that the surety bonds of the following officials be increased in amount in 1954, in order that the amount of the bond may be more proportionate to the amount of funds handled by these officials.

Town Clerk — Increased from \$1,000.00 to \$2,000.00

Town Treasurer — Increased from \$10,000.00 to \$15,000.00

CONCLUSION:

The accounts of all town officials which we examined were found in good condition and the accounting procedure conformed to prescribed methods.

The provisions of Section 31, Chapter 211, of the Laws of 1939 require that this report or a summary of its essential features shall be published in the next annual town report.

We extend our thanks to the officials of the Town of Pittsfield for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER

Director

Division of Municipal Accounting
STATE TAX COMMISSION

C. David Sullivan, Auditor

Hugh J. Cassidy, Accountant

STATE TAX COMMISSION

DIVISION OF MUNICIPAL ACCOUNTING

Concord, New Hampshire

February 3, 1954

This is to certify that we have examined and audited the accounts and records of the Town of Pittsfield for the fiscal year ended December 31, 1953, and found them to be in good order. In our opinion the Exhibits included herewith reflect the true financial condition of the Town on December 31, 1953, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER

Director

ANNUAL REPORT OF THE LIBRARY TRUSTEES FOR 1953

At the annual town meeting in March 1953, our appropriation of \$3,000 was granted and out of this appropriation the board was to meet current expenses and certain designated specifications as presented to the budget committee by the board chairman, Mr. Reed.

From this appropriation, we have purchased furniture for the Memorial Room, consisting of an all metal table and forty folding metal chairs, draperies for all the windows, which have added warmth and color to the room. Approaching the Memorial Room from the Dustin right of way, cement steps and walkway have been constructed, also an outside entrance light has been installed.

Upon acquiring furnishings, the room has been made available to cultural and civic group meetings; namely the Pittsfield Planning and Development Board, Benj. Sargent Chapter of the D. A. R., Pittsfield Women of Rotary and the Pittsfield Woman's Club.

It has been gratifying to the board to find this room being used by civic groups of the community.

The board gratefully acknowledges gifts from the Pittsfield Rotary Club of ten matching metal chairs and the Women of Rotary for a portable coat rack and the sum of twenty-five dollars to be used at the discretion of the board toward the remodeling of the back room.

Again we wish to thank all who have given books to the library this year.

The library board of trustees were in attendance at the first state-wide trustees meeting held in Concord on Oct. 20, 1953. Here we were able, through lectures and panel discussions, to solve many problems confronting library boards. We feel that our library rates high in its class throughout the state.

This year we have been taking advantage of our privilege to borrow through the State Library special books, thus making it unnecessary for us to purchase so many of this type of book as permanent property — therefore our special book purchases consist of only two volumes: the 1953 volume of Who's Who and the N. H. Register for 1953. ,

We are asking for the same appropriation of \$3,000 this year in order to refinish the back room and to paint the exterior of the library which we were unable to do this year because of the increased expense in the method used in cleaning and processing the wood.

Upon the completion of these two projects the library building should need no further major repairs for several years.

REPORT OF FOREST FIRE WARDEN

A review of the 1953 fire season proves the vital part of people in the never ending battle to prevent forest fires.

In this fire district there were 133 fires in 26 of the district's 30 towns; 409 acres were burned over and it cost \$9,499.97 to extinguish them. This figure was reduced somewhat through payment of fire costs by persons responsible for illegal fires, fires which escaped from control and fires caused by their carelessness. Costs were abnormally high this year due to protracted periods of dry weather which increased the difficulty of extinguishing fires.

Eighty-eight percent of the 133 fires were man-caused and could have been prevented. They tell a story which needs to be carefully studied. Some people were careless in disposing of smoking material and camp fires; others burned without the required warden permit — disregarding weather, forest conditions and the normal safeguards recognized and considered by the warden in issuing permits. Other fires resulted from children playing with matches, carelessly handled fireworks, faulty railroad and

FIRE AND POLICE SIGNAL SYSTEM

Report for 1952

There were forty-nine alarms, including two No School signals transmitted over Fire Alarm System. Of these thirty six were direct calls to the Tel. office where the operators sounded the fire alarm. The remaining thirteen were sent in from street alarm boxes, either by passers by who discovered a fire or by people who had no telephone.

Four alarm boxes were purchased from a town that was required to replace them by a more improved type of box. They are in excellent condition and fully suitable for this system. They cost twenty dollars each and when new would have cost at least seventy five dollars each. If new boxes of a similar type had been bought, they would have cost one hundred dollars each. They fill in places where there were no nearby boxes. Two more should be placed for a similar reason; on Smith St., and at the foot of Blake St.

When the Dial Telephone System goes into effect next May there will be no telephone operators in Pittsfield. Arrangements have been made with Mr. Raymond Allen to have our telephoned fire messages taken at the leather factory and transmitted to the fire department, at no cost for such service to the Town. Our costs comprise purchase and installation of the necessary fire alarm equipment and the yearly rental charge for our telephones.

The Budget Committee has approved the amount necessary. And you are asked to vote for it at Town Meeting. It is very necessary. The foregoing arrangement has been given careful consideration by your Town Officers.

Should you make a fire call by telephone please give your name location, and what the fire is, slowly and distinctly. Do not hang your telephone up until you are sure your message is fully understood.

If you live in the village where there are street fire alarm boxes, please use them if at all possible. That was done before there were so many telephones.

There may be a little delay at times in answering any telephoned calls due to unavoidable circumstances. So do not get impatient.

The fire alarm system has worked perfectly this last year. There have been some police call troubles; but they were soon corrected.

Arrangements have not been completed for handling these calls. When they are made you will be notified.

The thanks of all our Town Officials are extended to our Telephone Operators for the efficient and correct handling of both fire and police calls. This has been a free, courtesy service over the years.

Also go thanks to the Public Service and the R. E. A. people for helping care for the Town wires, when necessary. It has been a service we could not do without.

When there is a fire alarm, after the Dial System goes into effect, do not call the Leather Factory for information. Their business with the town is just to take, and make, fire calls. If they are so bothered, they will not continue this service. Also such calls would prevent the use of this Telephone line for its assigned business.

Also do not call the Fire Station and so tie up that line. The Fire Department will need it. And we will have no operators to supervise calls and free a line for its rightful use.

Submitted,

WILLIAM B. ELY

Superintendent of Fire and Police Signal Systems

truck equipment, etc.

These fires cost a lot to extinguish, most of which could have been avoided — this affects taxes; local business was interrupted by men leaving their jobs to extinguish fires; trees that might have built houses, repaired bridges and supplied raw materials for local industries were destroyed; seedling growth, the future timber crop was wiped out.

This picture can, however, be reversed if people who offend could be impressed with the importance of observing the simple but essential common sense safeguards that will prevent forest fires. They are:

1. Care in disposing of lighted cigars, cigarettes and matches in and near woodlands.
2. Care in selecting camp fire sites and completely extinguishing them.
3. Consultation with the local forest fire warden before burning to secure the required permit.

People play a vital part in our forest fire problem.

It is **EVERYONE'S** job to **HELP PREVENT FOREST FIRES.**

Thomas J. King

REPORT OF THE TOWN FORESTRY COMMITTEE

For Year 1953

The Town of Pittsfield owns five separate tracts of forest land containing in all approximately 120 acres, these are to wit: the Dr. F. H. Sargent tract, the Dustin-Barker tract, the Pest House tract, the F. P. Green tract and the Lane-Hartwell tract. On the first four mentioned tracts there have been set 43,700 pine transplants. There is at this time a worth while stand of fast growing pine on the first three mentioned tracts. On the fourth tract the pines have not come through. That a vast improvement is apparent where the trees have been pruned; and further that Blister Rust is taking a heavy toll of our pines on the Dustin-Barker tract. (Please do not say this is not so until you go and look.)

Tract number five, the Lane-Hartwell tract, of fifty acres is well covered with a good growth of Pine, Spruce, Hemlock and Hard Wood, while this is a growing lot, there is a lot of good sized growth.

The only money appropriated in 1953 for the forestry program however, was the \$400.00 Blister Rust Control appropriation, this amount was combined with the State fund and used for that purpose.

Recommendations

That Moth Extermination (Blister Rust) be continued.

The trees on the first three mentioned tracts should be pruned for the reason: First to promote faster growth; Second, to improve the quality of the lumber to be cut in the future years; Third, if the lower branches were removed it would stop a lot of that causes Blister Rust. (We ask you, this being the fact, is it inoculation by the spore from the currant and goosberry bushes, not worth while to prune our pines).

Tract number five: The bounds should be established and tract looked over and a price placed on same.

Your committee has looked over the first four tracts and has spent much time in so doing. b

Respectfully submitted,

Frank T. Garland

Ira H. White

REPORT OF TOWN TREE WARDEN

The sum of one thousand dollars was allocated at the 1953 town meeting to protect and improve Pittsfield shade trees. The care of these trees was entrusted to your tree warden. While pursuing this work counsel has been taken with the State Forester and the board of Selectmen and suggestions that were in best interest of the Town have been acted upon, as far as help could be employed.

All of the trees within the village limits including those within the confines of the parks, school yards and cemeteries, have been sprayed once and the Elms have had two extra sprays, one in early spring and one in the fall.

There have been six old trees removed in the village, two on account of age and four on account of Dutch Elm disease. There have been five maple and one spruce trees set out, the spruce to take the place of one broken off in the park; there has been one tree repaired that was split and some dead wood removed from some of the trees and some trees repaired and painted; the young trees have been fertilized, painted and cared for; there have been 378 small trees set since 1925; there have been six spruce trees in park, four of them have died and been destroyed, two are looking very well.

Recommendations

Everyone knows it is impossible to destroy all of the insects in any one year, altho there were a lot destroyed as is evident by a comparison of Pittsfield's trees with trees in towns not sprayed. The undersigned believes that if we want to save our trees they should be sprayed in 1954, the elm in March or April and again in July or August, and all of the trees about the first of June. There should be some old trees removed, there should be some young trees set out, and a lot of dead wood removed and a number of trees should be braced if we want to save our trees.

THE DUTCH ELM DISEASE HAS BEEN FOUND ON OUR TREES, but not on the trees that we have been spraying. But this does not mean they will not be attacked.

Our trees are honorable Citizens, let us respect them as such.

All elm trees should be sprayed in the village limits.

There should be more money appropriated for the care of the trees.

When we plant and care for trees let us trust that we are planting ourselves to be remembered, for the benefit of our town.

Respectfully submitted,

Frank T. Garland

PITTSFIELD, N. H.

FOR THE SCHOOL YEAR ENDING

June 30, 1953

Old Faithful

We used to have a clock in town
 High in the church belfry
 Whose hour chimes rang up and down
 The Suncook Valley way.
 And folks who lived for miles around
 Knew, when they heard her chime
 That she was telling by her sound
 To each, the honest time.

By some misfortune her old face
 Became so sad and blue
 Her chimes, alas, they had no place
 Her time gears worn through.
 She felt dejected looking down
 To all who passed her by
 Her hands they seemed to hide a frown
 And tears in her old eye.

She's dead some said, she never will
 Tell time to us again.
 But others prayed, her gears so ill
 could be repaired by men
 It seems the prayers of young and old
 Who loved this old clock so
 Were answered, for her hands of gold
 Once more, the time did show.

Today she spreads her smile of praise
 To some God given power
 Who helped in some unknown ways
 For her, to sound each hour
 The marvel of this old town clock
 Contains a Scripture lesson
 Have faith to pray but never stop
 To ask Him for His blessing.

(b) Report of the Superintendent

American citizens, I think, agree with professional educators, that the purpose of education is the development of each individual for the fullest participation in the American democratic way of life. This is a pretty big order. As our outlook changes from national pride to international leadership, the teaching of history, current events, and an understanding of the soundness of democratic ideals makes education more complex. As we learn that democracy should apply to all phases of American life, economics, and social, as well as political, our task becomes more demanding. We can define our goals in terms of the democratic ideal; but we discover this is much easier than putting them into practice. "Education does not mean teaching people what they do not know; it means teaching them to behave as they do not behave".

t

As I serve you for the second year as superintendent, one of my major regrets is the lack of time and opportunity to talk with individuals and groups of Pittsfield people. I would like to explain what we want to do for your boys and girls, and through them, for your community. It would be a pleasure to me to discuss philosophies of education, day to day school problems, and major goals with you in a personal manner. The number of details and problems in school operation grow yearly. I shall write here concerning a few of them.

Instruction

Pittsfield has been faced with the problem in recent years of a large teacher turn-over. Your local organizations this year have been most helpful in showing our new comers that you have a friendly town. Those people who work constantly with your children must feel that you are with them in their efforts, and are interested in them as people. Our salary schedule, voted at the adjourned meeting last June was designed to interest and retain some of the better graduates and teachers. We do need to keep people three to five years if we are to secure the best instruction. We are not crying "wolf" when we say that teachers are scarce. More and more of our graduates must go into the profession. If we have a sincere interest in the welfare of our children, we must all encourage our finest students to enter and stay in the profession. In two years we have had about twenty new teachers, as compared with relatively few of our youth in training.

This is not a problem unique to Pittsfield. Few people know that our national birthrate has grown from 2,400,000 in 1937 to an estimated 4,000,000 in 1953. While in 1900 only 10% of the high school age group attended, at present about 80% go to secondary school and many go on to college. Though our high school enrollment has decreased temporarily, it will go up again and

may soon exceed 200 pupils. School people cannot solve this problem if the public is indifferent until the point of crisis arrives.

We are mightily concerned with the problem of educating all the children of all the people. Changing economic conditions result in few occupations for the youth of 14 to 16. The majority remain in school and need a program geared to varying abilities. We have no desire to lower our academic standards, and we are sincerely trying to prepare pupils for college thoroughly. We must be just as serious in our efforts with those boys and girls who will not go on to higher education. We have a broad program in Pittsfield. We feel the need for a thorough general education for all, too. Consequently, four years of English, and four years of history are required. In addition all pupils must take Biology and some mathematics. We are trying to work out a program for the acquisition of minimum standards in skills; that all who graduate can handle fundamentals of arithmetic, can speak well, can write and spell acceptably. It will be successful to the extent the boys and girls apply themselves and the teachers apply laws of learning in developing achievable activities.

Improvements and Repairs

We have made good use of your tax dollars in maintaining school property. Unfortunately there are not enough of them to bring your buildings up to fine condition again. Those of you who have recently repaired homes realize the terrific increase in cost of good workmanship and materials. Your grammar school, in particular, was run down. We need its space, and must bring it back to better repair. I advise employment of professional help for an objective examination of this structure. It seems wise to most of us to spend at least \$1,000 yearly to make it clean, warm and attractive. It is quite impossible to predict what portion will next require attention. We have improved the halls. By sealing doors we hope to make expensive replacement unnecessary. We found over 40 badly broken or cracked pieces of glass. The basement sashes were rotted and many windows needed new sashes. Teachers and pupils are pleased that we are giving attention to their school.

Our commercial machines, and shop equipment are requiring many tax dollars to restore to fine condition of usefulness. Real advances have been made this year, and more must continue.

The Memorial School has received attention, and after another year should not cost as much to maintain. A new walk is needed.

The cupola at the high school needs painting and repair. We should begin to replace roof gutters as this seems to be the only way to stop leaks permanently. The front gable, outside doors, and sashes of the high school and shop have been repainted.

We greatly need improved roadways. Dust and grit on the tile floors result in poor appearance and unnecessary wear. Our high school building after 12 years lacks the attractive appearance it might have because of the need for landscaping. We have placed money in the budget to complete this work.

Though the condition of our buildings is less important than the quality of instruction, it is important to facilitate such instruction. It is good economy to spend what is necessary each year to keep buildings and equipment in fine repair.

Finances

We cannot deny that good schools cost money. Inflation, more elementary pupils, a broad program, building additions, and extensive repairs cause increases everywhere. Our costs continue to be less than average for N. H. schools. Costs per pupil seem high until compared with that in other states, private schools, army training and jail sentences. When we are concerned with high military costs on the federal level, we must realize that public school education is one of the first necessities for developing good citizens, and ability to use modern implements of war. In our efforts to supply your children with superior training, we shall continue to need your financial support. Your understanding, your active interest, your constructive criticisms, and your vision for the future are extremely important if we are to move ahead in this most important phase of American living.

"Let us say this much to our selves, not only with our lips but in our hearts. Let us say this: I myself am a part of democracy—I myself must accept responsibilities. Democracy is not merely a privilege to be enjoyed — it is a trust to keep and maintain. I am an American. I intend to remain an American. I will do my best to wipe from my heart hate, rancor, and political prejudice. I will sustain my government. And thru good days or bad I will try to serve my country." — Stephen Vincent Benet

JOHN WILMAN DAY

A STATEMENT OF SALARY OF THE SUPERINTENDENT

August 1, 1952 — June 30, 1953 *

PART IV. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

(a) Report of the Principal

1. Pittsfield High School was most fortunate in being able to open school in September with a full complement of teachers. When one hears of the difficulties in other schools, both large and small, in securing enough teachers, we are most appreciative of our Superintendent's ability to fill all positions.

2. Again our teachers are grateful for the very splendid reception and welcome extended to them from so many persons and so many groups. Our teachers wish very much to be considered a part of the town in which they work and live.

3. A few changes have been made in the program of the school. It is hoped that these changes have resulted in a better education for our young people.

4. First because of the generosity of Mr. Adelard Pelissier who donated a specially equipped, dual controlled car, we have added a Driver Education Course this year. Mr. Uhlenberg and Mr. Monroe teach these classes. These teachers prepared for this course at a special course given last summer at Plymouth Teachers College. We all hope that this program will make our students better and safer drivers.

5. Also, the school day has been lengthened. This made it possible to shorten the classes from seven 45 minute periods to six 60 minute periods. The latter schedule allows ample time for teacher-supervised study.

6. Further, the school's guidance program has been greatly extended this year under the direction of Mr. Bastable. Considerable testing has been done to determine the aptitudes and abilities of students. Mr. Bastable has been assisted in this guidance work by Mrs. Hamilton and Mr. Monroe.

7. Of the graduating class of 1953, nearly forty per cent went on to some type of higher education. Reports indicate that these persons are doing well. A relatively large number of the class of 1954 are also planning to continue their education after graduation.

8. One of the outstanding events of the year was a Career Day held under the auspices of the guidance department. The entire student body and staff of Alton High School were our guests for the day. Over twenty representatives of various occupations and professions were here for the day helping and advising our students.

9. The music department, under the direction of Mr. Raymond Ladieu, made outstanding progress in both vocal and instrumental music. The Christmas program presented by the chorus and band was an outstanding musical event. Pittsfield may be proud of our chorus of thirty-five well-trained and disciplined singers.

10. Much attention is being given by the entire staff to the matter of increasing the reading ability and skills of the students. A number of staff meetings and work-shops have been held on the subject of reading. Various measures have been instituted in the classrooms.

11. The Industrial Arts program, under the direction of Mr. Frank Uhlenberg, has undergone many changes and taken a new lease on life. Enrollment in our Industrial Arts Classes is about at capacity.

It would not seem to be amiss to plea for an increased interest on the part of parents in the education of their children. The attitudes and feelings instilled by the home are of extreme importance. We believe to be pertinent the following Quote of the Month in the January issue of the Farm Journal: "Parents must instill in their children a desire for education above all else. Unless this is done, our schools, alone, can never do the job". (Frank Taylor)

In closing, it should be noted that the building and its facilities are being used much more extensively each year by the people of the town. Many weeks see the building in use every day, including Saturdays and Sundays, often from 8 a. m. until late evening. Pittsfield High School is increasingly becoming a community center.

PAUL K. PRESCOTT

Principal, 1953 - 1954

Report of School Nurse

(b) School Health

Number of Visits to school	824
Number of children examined by Nurse	1,853
Number of children examined by Doctor	54
Number of children given classroom inspection	407
Number of children excluded from school	4
Number of interviews with parents	155
Number of treatments in school	295
Number of children accompanied to oculist and optometrist	11
Number of children attending immunization clinic	46
Number of children accompanied to orthopedic clinic	1
Number of children attending dental clinic	24
Number of home visits	58
Time given to school work (half days)	134

	Affected	Corrected	Under Treatment
Underweight	8	1	2
Defective Vision	21	73	0
Defective teeth temporary	51		
Defective teeth permanent	158	292	
Enlarged tonsils	24	0	
Orthopedic	2	1	1
Posture	10	8	2
Defective hearing	2	2	
Bites Nails	35	18	

Cases of Communicable Diseases

Chicken pox, 1; Whooping cough, 3; Pediculosis, 2; Measles, 2; Mumps, 1; Impetigo, 4.

The general condition of health among the school children seems very good. We are very much pleased with the work done at the dental clinic by Dr. Carpenter. Twenty four children had their dental work completed. We are planning to have another clinic very soon for the children in the lower grades. There is still a great need. We are pleased to notice the dental work that has been done among the high school children.

We had our annual pre-school and immunization clinic sponsored by the State Board of Health Nurse, assisted by our local doctors. Forty six attended. This is an annual clinic and all children entering school should attend. We have had very few contagious diseases this year. We do believe the hot lunches and physical education are a great help to the health of the children. The children with defective vision and hearing have had corrections made. We do greatly appreciate the help given us through the Red Cross, Rotary, Women of Rotary, Salvation Army and other organizations. We want to thank parents, teachers, and school officials for their kind cooperation with the school health program

DORIS H. DROLET, R.N.

(c) Drake Field Report for Summer of 1953

Drake Field Playground was the daily gathering point of some 50 to 100 Pittsfield youngsters during the eight weeks of the 1953 summer season. The purchase of new play equipment and games plus the provision of a host of recreational activities contrived to interest many boys and girls.

Attempts to organize a regular, daily format of planned activities met with little success. The irregularity of attendance of individual Pittsfield youngsters made this virtually impossible. The Playground Director found that most of the children preferred to pick and choose their own amusements and recreation; to come and go at will.

Miss Constance LaBonte ably assisted with the younger tots organizing games and looking after the general welfare of the children around the play equipment. Croquet, checkers, dominoes, ring toss, darts, jump rope; play on the teeter boards, slide, rings and jungle gym kept the small fry occupied.

A baseball team was organized for the older boys of the playground and practice was held each morning. In a schedule of seven games with nearby boys' camps, the Playground team was defeated only once. Smaller girls and boys took part in the afternoon softball games and two scheduled contests with outside competition.

In addition to these organized team games, older children took part in horseshoes, volleyball, basketball, tennis, ping-pong and peggyball. A field day was held with ribbons being awarded to winners in horseshoe pitching, 50, 100, and 200 yard dashes, high jump, broad jump, cross country, baseball throw, ping-pong and other contests. On the final day of activities, the children's masquerade was again held with prizes being awarded. A decorated doll carriage contest was held as well as a decorated bicycle contest. The youngsters enjoyed a doughnut-eating contest and ice cream was served to all in attendance.

Under the sponsorship of the Playground, a Sunset League of five softball teams was organized for high school boys and adults. Roughly, some 75 men and boys participated in the evening games, which were well attended by townspeople. Competition was keen and the season ended with a game between the winning Dodger team and an All-Star nine selected from the rest of the league.

The tennis courts were in constant use by adults and younger people of the town. An informal tennis tournament for adults took place. It was disappointing that more adults did not volunteer to participate.

Mr. Philip Sherburne, custodian of the Playground, deserves the commendation of townspeople for the very excellent manner in which he maintains the park and courts at all times.

Respectfully submitted,
CHARLES R. DUSTIN

PART V. SCHOOL CALENDAR FOR 1954-55
(Subject to Change)

1954

Sept.	7	Union Teachers' Meeting
Sept.	8	Schools open
Oct.	14-15	Teachers' Convention
Nov.	24	Schools close at 1:00 p.m. for Thanksgiving
Nov.	29	Schools open
Dec.	21	Schools close at 1:00 p.m. for Christmas vacation

1955

Jan.	3	Schools open
Feb.	18	Schools close at 3:30 p.m. for winter vacation

DISTRICT MEETING**THE STATE OF NEW HAMPSHIRE**

To the inhabitants of the School District in the Town of Pittsfield, New Hampshire, qualified to vote in district affairs

You are hereby notified to meet in the Town Hall in said district on the 5th day of March 1954 at 8 o'clock in the evening, to act upon the following subjects:

- 1 To choose a Moderator for the ensuing year.
2. To choose a clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees or officers heretofor chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors, and Committees in relation to any subject embraced in this Warrant.
- 8 To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application of such sums as are estimated to be received from the state equalization fund together with other income, the school board to certify to the selectmen the balance between the estimated revenue and the appropriation which balance is to be raised by taxes by the town.
9. To transact any other business that may legally come before said meeting.

Given under our hands at said Pittsfield this 15th day of February, 1954.

THOMAS F. McKOAN
ERALSEY C. FERGUSON
MARY OSGOOD
School Board
